Teens

Dig Into Reading! – Teen Volunteers Needed

Plans for the 2013 Summer Reading Program at Winton Library are underway. Again, we are calling on teen volunteers. Teen volunteers play an integral role in the success of the program. If you would like to volunteer this summer, please call the library during open hours or visit us, if you are interested.

There will be a required orientation meeting on **Monday, June 24, noon – 1:30 pm**

We will go over procedures and put together packets for the readers. Meet the other volunteers and sign up for the days/times that you would like to work. Please consider volunteering this summer. The experience you gain can be used for community service requirements for school, church, scouts, etc.
